### Description of Legal Authority

The federal "Superfund" law (the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601, et seq., commonly referred to as "CERCLA" and "Superfund") grants EPA the authority to, among other things: (1) assess contaminated sites, (2) determine the threats to human health and the environment posed by each Site, and (3) clean up those Sites in the order of the relative threats posed by each. In addition, pursuant to Section 104(e)(C), 42 U.S.C. § 9604(e)(C), EPA may obtain information relating to the ability of a person to pay for or to perform a cleanup.

### Information Request

Under Section 104(e)(2) of CERCLA, 42 U.S.C. § 9604(e)(2), EPA has broad information gathering authority which allows EPA to require persons to furnish information or documents relating to:

- (B) the nature or extent of a release or threatened release of hazardous substance or pollutant or contaminant at or from a vessel or facility; and
- (C) information relating to the ability of a person to pay for or to perform a cleanup.

While EPA seeks your cooperation in this investigation, compliance with the Information Request is required by law. Pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604, EPA is authorized to seek penalties if you fail to respond in a timely manner or if you fail to respond adequately to the Information Request. In addition, false, fictitious, or fraudulent statements or representations may subject you to civil or criminal penalties under 18 U.S.C. § 1001.

Some of the information EPA is requesting may be considered by you to be confidential. Please be aware that you may not withhold the information upon that basis. If you would like EPA to treat the information in a confidential manner, you must advise EPA of that fact by following the procedures outlined in Attachment A, including the requirement for supporting your claim for confidentiality.

If you have information about other person(s) who may assist EPA in its investigation of the Sites or may be responsible for the contamination at the Site, that information should be submitted within the timeframe noted above.

MINUTES OF MEETING

of the

BOARD OF DIRECTORS  
of

ELECTRONIC COMMUNICATIONS, INC.

Held September 27, 1965

A meeting of the Board of Directors of ELECTRONIC COMMUNICATIONS, INC. was held at the Midday Club on the 28th Floor of the Fidelity-Philadelphia Trust Building, Philadelphia, Pennsylvania, on Monday, September 27, 1965, immediately following lunch, pursuant to notice given to all the Directors in accordance with the By-Laws of the Corporation.

The following Directors of the Corporation, constituting a quorum, were present:

Messrs. W. R. Yarnall  
C. K. Baxter  
S. W. Bishop  
D. R. Bradley  
Duncan Miller  
W. D. Roosevelt  
E. P. T. Smith, Jr.  
J. B. Williams  
G. R. Wilson.

Messrs. J. P. Crawford, Jr. and H. A. Kroeger were absent. Mr.

T. G. B. Ebert, of Ballard, Spahr, Andrews & Ingersoll, was present by invitation.

Mr. C. L. Lord, Secretary of the Corporation, was present and acted as Secretary of the meeting.

Mr. W. R. Yarnall, Chairman, called the meeting to order.

The minutes of the meeting of the Board of Directors held on August 23, 1965 were unanimously approved.

Mr. Yarnall reported for the Executive Committee, stating the Committee had reviewed the results of operations for the month of August and projected earnings for the year ending September 30, 1965. The backlog is at an all-time high of \$41,500,000 and prospects are encouraging for an even higher figure by year end. A tornado struck SPI's warehouse in Wichita on September 3, 1965 but no adverse effect is expected on the Company's financial statements because the building and contents are adequately covered by insurance. The Company is still actively pursuing acquisition possibilities and Scott Electronics Company, in Orlando, Florida; and the R. L. Drake Company, of Miamisburg, Ohio, are receiving active consideration at this time.

Mr. Bishop delivered his President's Report, including a review of operations for the month of August, 1965, which indicated profits after taxes of \$31,885, or .042¢ per common share. Net income for the eleven months ended in August amounted to \$455,880,

equivalent to 62¢ per common share. The Company still expects to equal or exceed earnings reported for the fiscal year ended in 1964. The backlog continues at a high level and is expected to reach another record as of the end of September, 1965. At the present time both St. Petersburg and Benson are experiencing schedule slippages because of start-up problems involved with new programs. Benson has had, in addition, the effect of the strike which was settled in early August. Mr. Bishop reviewed the charts setting forth comparison of performance against projection for all Divisions. He stated that fiscal year 1966 forecasts will be upgraded and initial fiscal year 1967 forecasts prepared and reviewed with the Directors at the October meeting. At the same time new product development programs will also be reviewed. He concluded his report by saying that management was continuing its efforts to uncover likely acquisition candidates, and in addition to the two companies referred to in the Executive Committee report he hoped other possibilities would be available for discussion at the October meeting.

Mr. Bishop asked the Directors to give consideration to the appropriations for capital expenditures for the six month period beginning October 1, 1965 and ending March 31, 1966. After due consideration and discussion the Directors unanimously approved

the following appropriations for such period:

St. Petersburg Division:

Manufacturing	\$160,000
Engineering	85,000
Administration	<u>35,000</u>
	\$280,000
Benson Manufacturing	60,000
Standard Precision (including \$10,000 uncommitted from the prior six months appropriation)	<u>30,000</u>
	<u>\$370,000</u>

The President also asked the Directors to give consideration to an annual appropriation for charitable contributions, and after discussion the Directors approved an appropriation of \$5,000 for charitable contributions for the Corporation and its divisions and subsidiaries for the fiscal year ending September 30,, 1966. Individual contributions are to be approved at the sole discretion of the President.

The Chairman announced that the Board of Directors should next consider a proposal that its wholly owned subsidiary, Standard Precision, Inc. be completely liquidated and dissolved pursuant to the terms of the following Plan of Complete Liquidation of Standard Precision, Inc. which was presented to the meeting:

"This Plan of Complete Liquidation proposes to accomplish the complete liquidation of Standard Precision, Inc., a Kansas corporation, through the distribution by it of all of its assets in complete cancellation of all of its stock pursuant to Section 332 of the Internal Revenue Code of 1954 in the following manner:

1. When this Plan has been adopted by the Board of Directors of Standard Precision, Inc. ("Standard"), it shall be submitted to Electronic Communications, Inc., a New Jersey corporation, ("ECI"), the owner of all of the issued and outstanding stock of Standard.

2. This Plan shall be considered adopted when the Board of Directors of ECI approves the Plan and authorizes the distribution of all of the assets of Standard in complete cancellation of all of its stock.

3. After adoption of this Plan the following action shall be taken:

(a) Standard shall cease doing business and all of its properties, assets and rights of every description real, personal and mixed, tangible and intangible, wherever situated shall be transferred and distributed to ECI in complete cancellation of all the stock of Standard, and

(b) ECI shall assume payment of all liabilities and performance of all obligations, if any, of Standard of every description, whether absolute or contingent.

4. As soon as practicable after the action referred to in Section 3 of this Plan has been taken:

(a) ECI shall surrender to Standard the certificates representing all of the issued and outstanding stock of Standard and such certificates and the shares represented thereby shall be cancelled, and

(b) Standard shall formally be dissolved in accordance with the General Corporation Code of the State of Kansas."

Thereafter, upon motion duly made and seconded, the following resolutions were unanimously adopted:

RESOLVED, that the foregoing Plan of Complete Liquidation of Standard Precision, Inc. and that the following resolution:

"RESOLVED, that it is deemed advisable, in the judgment of the Board of Directors, and for the benefit of the Corporation, that the Corporation should be dissolved."

which was adopted by the Board of Directors of Standard Precision, Inc., on September 27, 1965, are hereby approved.

RESOLVED, that Electronic Communications, Inc., the owner of all of the issued and outstanding stock of Standard Precision, Inc., hereby authorizes and approves of the dissolution of Standard Precision, Inc. and hereby authorizes the distribution of all of its assets in complete cancellation of all of its stock as provided in the foregoing Plan of Complete Liquidation.

RESOLVED, that the President and the Secretary are hereby authorized to execute and file a written consent to the dissolution of Standard Precision, Inc. in the name and on behalf of Electronic Communications, Inc., as the owner of all of the issued and outstanding stock of Standard Precision, Inc.

RESOLVED, that the President and Secretary are authorized and directed to execute and deliver, on behalf of this Corporation and in its name, an instrument whereby Standard Precision, Inc. transfers and assigns to this Corporation all of Standard Precision, Inc.'s assets in complete cancellation of all of Standard Precision, Inc.'s stock, against an assumption by this Corporation of all of Standard Precision, Inc.'s liabilities.

The Chairman stated that in connection with the liquidation of Standard Precision, Inc. it was necessary for the Company to make satisfactory arrangements with The Fourth National Bank and Trust Company, Wichita, relative to the bank accounts and borrowings with that financial institution. Whereupon, after motion duly made and seconded, it was unanimously

RESOLVED, that the officers of Electronic Communications, Inc. are hereby authorized to open bank accounts at The Fourth National Bank and Trust Company, Wichita, Kansas, and that they are further authorized to execute and deliver to such Bank resolutions in such form as the Bank may reasonably require, with the authorized signatures to continue to be the same as those previously authorized by Standard Precision, Inc.

RESOLVED, that W. R. Yarnall, Chairman, S. W. Bishop, President, or C. L. Lord, Treasurer, are hereby authorized to deliver to The Fourth National Bank and Trust Company, Wichita, Kansas, a note dated October 1, 1965, in an amount of \$75,000.00 with interest at the rate of 6% per annum until maturity, with payments to be paid in installments as follows:

\$5,000.00 (Five Thousand Dollars) plus accrued interest at the rate of 6% per annum payable quarterly, beginning December 1, 1965, and \$5,000.00 and accrued interest at 6%, on the 1st day of each succeeding March, June, September and December thereafter, with a final installment of \$50,000.00 plus all accrued interest due and payable on March 1, 1967.

The Chairman announced that the Directors should, in connection with the dissolution of Standard Precision, Inc., consider means of preserving the Standard Precision name in Kansas. After dis-

cussion and on motion duly made and seconded, the following resolution was unanimously adopted:

RESOLVED, that the officers are authorized and directed to cause to be incorporated in Kansas, immediately after the dissolution of Standard Precision, Inc. becomes effective, a new Kansas corporation to be named Standard Precision, Inc.

The next meeting was scheduled for October 25, 1965, following lunch, at the Midday Club, 28th Floor, Fidelity-Philadelphia Trust Building, Philadelphia, Pennsylvania, unless otherwise agreed upon.

There being no further business to come before the Board, the meeting was, on motion duly made, seconded and carried, adjourned at 3:15 o'clock p.m.
